

Gordon Hintz opposes banning gay marriage!

For over 150 years, marriages in Wisconsin have been between one man and one woman.

But activist judges around the country are redefining marriage — even legalizing gay marriages. Our traditional values are under assault.

Gordon Hintz says he's opposed to banning gay marriage with a constitutional amendment in Wisconsin.*

Without a constitutional ban, activist judges could legalize gay marriage in Wisconsin and force it onto our communities.

But Gordon Hintz doesn't seem to care. He says a constitutional ban is not needed.

Tell Gordon Hintz that's just wrong! Marriage is between one man and one woman.

*www.thenorthwestern.com, 9/1/06. "The constitution is simply not the place for such a policy," Hintz said.
